

THE LEADER, GUTHRIE, OKLAHOMA

THE WORLDS MARKETS.

Chicago, Oct. 31.—WHEAT—Reports of serious reverses to the British army in the Transvaal, together with higher supplies and drop in British coins, prodded a British sentiment in the wheat pit today. The market opened firm with shorts covering freely, but put side selling and profit-taking checked the advances. Receipts of an important increase in German duty on wheat also encouraged selling. The market showed more anxiety than for two weeks, with the buying and selling about equally divided, after the initial flurry. December opened 6 cents higher at 31½ cents, held steady for a time at 30½ cents and then sagged slowly to 29½ cents. Chicago received 156 cars of which graded contracts. Minneapolis and Duluth got 305 cars compared with 325 for the corresponding day a year ago.

CORN—Was irregular and active. The market started strong with wheat, but weakened temporarily under heavy liquidation owing to a slack cash demand. Disappointing outlets and large receipts were against the market, but after a couple hours depression combination began buying started an upturn. Receipts 45 cars. December opened a shade higher at 31½ cents, declined to 30½ cents, and rose to 31½ cents.

OATS—Were dull and a trifle easier in sympathy with corn. Receipts 28 cars. December opened unchanged at 27½ cents and declined to 26½ cents.

PROVISIONS—Lower prices for hogs and the decline in corn weakened provisions. Packers with English connections sold freely. January pork opened unchanged at 30½; January lard raised 1 cent lower at 15½; January bacon 1 cent lower at 18½; bacon 2½ cents.
